Penny takes time out of her busy day to check on the Monarch caterpillars collected from around the nursery. See them for yourself at the sales counter.

Driving Directions

We are located on the west side of the road, just north of the Franconia Town Hall (Old Schoolhouse)

From Twin Cities Take I-35 north to MN 97 just south of Forest Lake. Go east through Forest Lake and Scandia to the intersection with MN 95. Turn left drive about 5 miles. Nursery is on the left.

From Stillwater Take MN 95 north about 20 miles. Nursery is on the left.

From N. Branch Take MN 95 east and south through Taylors Falls. Head south (left turn) where MN 95 diverges from US 8. Go about 5 miles. Nursery will be on the right.

From Wisconsin Cross the St. Croix River bridge at Osceola. Take MN 243 west to MN 95. Turn left. Go about 1/2 mi south on MN 95. Nursery is on the right.

St. Croix Trail is the same highway as MN 95.
