Find Us on Facebook!

Welcome!!! We look forward to your visit!

We will be opening for the 2020 nursery season on Friday, May 8. We have made some changes to our operation for sales due to the COVID-19 pandemic emergency. Our customer entrance will be between the barn / silo and the greenhouse. Please observe the one-way directional paths at the entrance as shown above. Please also note the following changes and precautions:

- **Patience has never been a greater virtue than it is right now. We will do the best we can.**
- Please be courteous to others and follow CDC guidelines for social distancing including the use of work gloves and masks. We request that you bring these with you. We will be regularly sanitizing appropriate surfaces.
- All plants for sale are outside. Check out will be at a weather-resistant station set up at the nursery-side barn door. The building is otherwise closed to the public. Please follow signs posted for directions.
- No children or pets.
- E-mail us if you wish to pre-order. We will respond by email with further instructions. Please understand that we are not an internet / mail order nursery. Order turn-around time may take a few days depending on how busy we are and specific seasonal availability of particular species.
- All sales final; no returns or exchanges. Payment by credit and / or debit card only.
- Hours Tuesday - Sunday 12 Noon - 5 PM. Closed Mondays and major holidays.
